

# Elouen Kerdavid

Industrial Engineering student looking for an internship in project management or in supply chain from June to December 2024

21 years old

+33 6 26 53 91 44

elouen.k@hotmail.com

15 rue Casimir Brenier,  
38000 Grenoble - FRANCE

Driving licence and owns a car

## HARD SKILLS

- **Project management**

Calculation of IRR/NPV,  
Planification (GANTT chart), Life  
phase of a project

- **Programming**

Python, R, SQL

- **Pack Office**

Excel, Access, Power point

- **Production management**

## LANGUAGE

French : native language

English : B2/C1 level  
(Linguaskill from Cambridge)

Spanish : second language

## SPORT & HOBBIES

- **Practice football (10 years)**

Regional level during 3 years

- **Loving play chess**

I played 3 years and made a  
few tournaments

## Training courses

- 2022 - in progress

- **Studying in Grenoble INP - Industrial Engineering**

- Supply chain engineer sector

- Scheduling, linear programming
    - Information system management
    - Simulation of production line models
    - Inventory and supply management
    - Sociology of organizations and financial analysis

- 2020 - 2022, high school Alphonse Daudet, Nîmes

- **Scientific preparatory course**

- Mathematics, physics, engineering sciences

## Professional experiences

- Juin 2023 - OWENS CORNING - Laudun (30) - FRANCE

- **Internship Maintenance & Capital project**

- MAINTENANCE

- Fundamentals of Maintenance in a Continuous Fire glass Plant
      - Study of the balance between curative, preventive and predictive maintenance
      - Participation in the implementation of autonomous maintenance: definition of cleaning standards and 1st level operations

- PROJECTS

- Work in collaboration with 2 senior project engineers
      - Participation in 2 projects: palletizing robot in the packaging workshop and handling robot in the winding workshop
