## Invitation to LXIV Council Meeting Belgrade

02.02.2022

Dear ESTIEMer,

The ESTIEM Board and Local Group Belgrade hereby invite your Local Group to join the 64th Council Meeting of ESTIEM in Belgrade, Serbia, from the 2nd of May until the 9th of May 2022.

The Council Meeting brings together around 250 Industrial Engineering and Management students from 26 European countries. By attending, you will have the unique opportunity to shape the future of ESTIEM. During the General Assemblies, you will be informed about our latest developments in the ESTIEM Departments, Services, Projects and Committees, as well as about the Board work. You will be the voice and face of your Local Group!

Additionally, you can contribute to and learn from ESTIEM in different Working Groups, Training Sessions and Round Tables where you work in international teams, expand your network in Europe, get to know other cultures and experience the unique ESTIEM spirit! Each Local Group can send two delegates to the Council Meeting.

You, as Local Responsible, must register them for the waiting list from the 20th of February until the 2nd of March in the ESTIEM Portal. If you encounter any problem with the registration, please contact The Vice President of Administration, Nikolina Gklezaki, via [vp-administration@estiem.org](mailto:vp-administration@estiem.org).

A late cancellation of your participation will result in you or your Local Group being charged the participation fee in order to meet the costs already made for you as a participant. We thank you for your understanding.

If you wish to contact the organizers and the Board, please write to [cmcontact@estiem.org](mailto:cmcontact@estiem.org) for any questions you might have.

We are looking forward to seeing you and your Local Group in Belgrade!

On behalf of the ESTIEM Board,

Daria Bakaeva
