Re : Letter

À : Frédéric Nouguier-Morin

Good Morning Frederic

I hope your new placement is going well and you havn't been blown into the Atlantic Ocean with Storm Ciara and Storm Dennis approaching.

This e mail confirms that you have spent two weeks working in Cobh - week 1 on the gardens and surrounds of my house and week 2 with a local engineering company.

Wishing you every success in your future career. Keep in touch.

All the best

Anne
